

Neponovljivi vinski doživljaj u zemlji velikih vina Vinski podrum „Šipčanik“

- Posjeta jedinstvenom vinogradu Ćemovsko polje
- Obilazak impresivnog vinskog podruma „Šipčanik“
- Degustacija vina autohtonih sorti uz crnogorsku zakusku

Krajem 2007. godine stari vojni aerodrom pretvoren je u impresivnu riznicu vina, jer je po principu francuskih šatoa podrum smješten usred vinograda u istoj zemlji, u istom kamenu, iz kojeg se radja loza. Zavojiti tunel površine 7.000 metara kvadratnih, u idealnim tehnološkim i klimatskim uslovima, njeguje 2 miliona litara vina u bačvama od najboljeg francuskog hrasta.

Doživite ambijent jedinstvenog vinskog podruma u Evropi, uživajući u nezaboravnim mirisima i ukusima - u "bukeu" našeg podneblja. Okrijte autentičan svijet naših autohtonih sorti vinove loze, našu posvećenost, tradiciju, našu filozofiju vina i zaplovite kroz more našeg vinograda na nepreglednom Ćemovskom polju u kojem caruje vranac - nacionalni ponos Crne Gore.

Unforgettable wine tour in country of great wines Wine temple Šipčanik

- Visit unique vineyard Ćemovsko polje
- Have a tour through the wine treasure Šipčanik
- Enjoy indigenous eno-gastro tasting

The old military airport was transformed into an impressive wine treasury in the end of 2007, based on château concept, as the cellar is located in the middle of the vineyard, in the same soil, in the same rock where the vine was born. It is in the spiral tunnel, covering 7.000m² that the 2 million liters of wine has been tended in the best French oak barrels. Feel the impressive ambience of the unique wine cellar in Europe, enjoying the unforgettable scents and tastes-in the 'bouquet' of our region. Discover the authentic world of our autochthonous varieties of grapevine, our commitment, tradition, our wine philosophy and sail the sea of our vineyard in the immense Ćemovsko polje, reigned by the Vranac - the national pride of Montenegro.
